

Full Name: DSc, Professor Ergasheva Guli Ismoil qizi

Specialization: Linguistics (English language)

Biography: Ergasheva Guli Ismoil qizi is a distinguished Uzbek scholar, professor, and academic leader specializing in applied linguistics, gender studies, language policy, translation studies, experimental phonetics, and natural language processing. She is the author of more than 90 scientific publications, monographs, textbooks, dictionaries, and research articles published in national and international academic journals.

Throughout her academic career, Professor Ergasheva has held a number of leadership positions in higher education. She currently serves as Dean of the English First Faculty at Uzbekistan State World Languages University (UzSWLU) and Director of the UzWAVE Gender Research Center. Previously, she worked as Associate Professor, Professor, Deputy Dean, and Dean at UzSWLU, contributing significantly to educational reforms, research development, and internationalization initiatives.

Professor Ergasheva has actively participated in national and international academic projects. She served as a National Consultant on Gender Terminology under a joint initiative of UNDP and the Women's Committee of Uzbekistan and contributed to the development of the official electronic glossary of gender-related terminology. She has also led several major research and innovation projects, including the establishment of the Experimental Phonetics Laboratory, the Synchronic Interpretation Laboratory, and projects promoting women's participation in STEM education.

As an academic leader, she was appointed Head of the International University Rankings Working Group at UzSWLU and played a key role in the university's first inclusion in the prestigious Times Higher Education (THE) Impact Rankings.

Professor Ergasheva is an active participant, keynote speaker, and organizer of international conferences and professional development programs in the United Kingdom, France, Türkiye, Indonesia, and the United States. She has presented research at international forums, served as a reviewer and opponent for doctoral dissertations, and contributed to the advancement of higher education and research policy in Uzbekistan.

She currently serves as Special Issue Editor of *Current Issues in Language Planning* (Taylor & Francis) and as editor of the academic journals *Philology Matters* and *Foreign Languages in Uzbekistan*. She is also a member of several national and international academic associations, including the American Association for Applied Linguistics (AAAL) and KADEM.

Professor Ergasheva continues to actively collaborate with scholars, universities, research institutes, and international organizations, promoting interdisciplinary research, gender equality, innovation in education, and global academic partnerships.
